Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The prior art of record does not teach or suggest a loan broker distinct from the loan originator and a loan originator providing services necessary for the origination of the mortgage loan and not duplicative of services provided by the loan broker. Accordingly it appears that the claims are allowable over the prior art of record.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
